DEDICATION MESSAGE

Our janitor, Mr. Roy Wait, and his assistant, Hugo Nygren have worked long and hard to try to make our school better so that we may enjoy it. We know all the students appreciate their fine cooperation whenever any size job comes up. We feel that their work needs recognition, so the Annual Staff of 1951 wish to dedicate this annual to Roy Wait and his assistant, Hugo Nygren.

PRINCIPAL'S MESSAGE

The school year of 1950-51 has brought many changes at Knappa High School. Several new courses have been added. Boys and Girls Glee, Mixed Chorus, and both a grade school and a high school band are now a part of the curriculum. The music program has been extended to include adult participation. The Agricultural program is definitely under-way.

The athletic program has been expanded. Eleven man football offers greater benefits to an ever growing number of students. The students and the community have provided exceptionally strong support for our athletic teams. Facilities for both boys and girls physical education classes and for athletic teams have become available. Through school board cooperation, transportation of students remaining after school for extra-curricular activities has become a reality.

People of the community are to be commended for the fine support they have given our school. Despite increased school expenditures the taxpayers realize the necessity for the best education possible for its youths.

I wish to thank the teachers, students, school board and the parents for their splendid cooperation throughout the school year.

ANNUAL NEWS

This year the staff changed the way of putting the advertising in the annual. Instead of putting the advertisements in large squares in the back of the annual, a list of names would only appear in the back. The ones that bought a \$10.00 advertisement will sponsor one page in the annual.

The annuals this year were printed in Kansas City, Missouri and the price of each annual was \$2.00.

The annual staff this year was as follows: Dick Engblom, Editor; Lila Miller, Assistant Editor; Marjorie Mack, Advertising Editor; Marilyn Tozer, Assistant Advertising Manager; Joan Fish, Sports Editor; Gladys Goska, Picture Editor. The staff was advised by Mr. Jones.

FOOTBALL RESULTS

Although far from being a successful season in terms of games won, this year's football season was a decided improvement over our first season at the eleven-man game last year.

Our players are now becoming fairly well acquainted with the fundamentals, rules, and strategy of the game. Several of them were outstanding in our league and will develop into fine football players. In future years we will miss the help of such players as Don Kumpula, quarterback and captain; Pat Booth, fleet fullback who was outstanding on defense; Dick Engblom, defensive tackle and end; and Delbert Sarkie, outstanding guard.

In the first game of the season, the K.S. Loggers got off to a bang, but due to the strength of the Nestucca team, K.S. lost.

Our next game was another home game and a very successful one, too. For the first time in two years, the K.S. Loggers won a football game. The Nehalem "Seagulls" got off to a good start on our field, but the Loggers seemed to dig in and came out on top.

The third game was played with the Warrenton "Warriors". We fought, but in vain, as the game ended in Warrenton's favor.

Next the Loggers made the journey to Garibaldi where Garibaldi displayed a lot of power and defeated us.

The Loggers kicked off to Sacred Heart in the next game, on Knappa's home field. The ball game went into the fourth quarter with no scoring opportunities for K.S. in sight, and remained so during the entire game.

During the height of one of the worst storms this year, K.S. defeated Wheeler High on the Knappa gridiron. The only score of the game was early in the final quarter when the Knappa eleven drove across for a touchdown.

For our last game of the season we met Clatskanie under the lights of their field. The slippery game ended with a score of 35-7, in favor of Clatskanie. Several injuries, including a broken leg, were received by the Loggers during the game.

BASKETBALL RESULTS

The Knappa Loggers of 1950-1951 had a very successful season and were the District 1-B Representative to the State Tournament held in Salem.

The Loggers got off to a slow start winning one of their first seven games. As the season progressed the loggers improved and won the County Championship for the second consecutive year. They went on to win both games of the district playoffs, the first from Gaston 52-49 and the second from Garibaldi 39-37.

In the State Tournament, the Loggers drew for their first game the eventual State B. Champs, Phoenix, and lost by a 39-33 margin. In consolation play, they were beaten by a hard-running crew from Grant Union.

The Knappa team was an outstanding defensive ball club and held their opponents to an average of 38.5 points per game while we scored 43 points per game.

Don Kumpula was the team's leading scorer with 335 points in 25 games.

VOLLEYBALL RESULTS

The first volleyball game we had was scheduled with Westport here. We played in the afternoon. High scorers for the game were Janice Vlastelicia, Joan Fish, and Eileen Barendse. The remaining girls did a swell job of backing the team up but we still lost by a score of 31-36.

The next game we played was with Westport, there. We gave them a good contest but came out on the bottom with a score of 25-31. Kathryn Akerstedt, Frances Sorkki, and Charlotte Kivisto had high scoring honors in the game.

Due to our late season the rest of the games were cancelled as other schools had started basketball already.

Girls making letters in volleyball were Eileen Barendse, Joan Fish, Janice Vlastelicia, Irene Acton, Kathryn Akerstedt, Charlotte Kivisto, Gladys Goska, Charlotte Vanderveldt, and Frances Sorkki.

During the year the meetings that were held were mainly for business and the elections of new officers. The things accomplished by the HI-Y this year were helping pay for the wire recorder, assigning of fire posts, and the purchase of a milk cooler to keep milk in. The main source of income for the HI-Y this year was the selling of milk to grade and high school students.

Second semester officers were:

HOME EC. NEWS

When the girls came back to school in September they found a brand new electric range and refrigerator in the homemaking room. Both have all the latest conveniences and have created much interest in learning to cook, as the opportunity to use the new stove was almost as much fun as getting to eat the finished product.

Sewing came in the first semester for both classes. A point system was set up for the number of garments to be made. Most of the girls earned more than the minimum number of points.

The second semester brought brief units on money management, child care, and interior decoration and a ten week period of foods. Cooking labs were held one day a week and each girl enjoyed the products of her labor.

The last week of school was spent in taking semester exams and giving the homemaking room a thorough cleaning.

Officers for the year are as follows:

F.F.A. NEWS

During the year, the F. F. A. Chapter sent judging teams to the Tillamook County Fair, the State Fair, and the Pacific International Livestock Exposition. At the P. I., Ray Hicks and Eldon Wait each caught a Hereford calf in the calf scramble.

The F. F. A. Chapter members have a total of over \$5,000 invested in farming. They have made an average labor income of over \$75 per boy.

To raise money towards the purchase of a tractor and other farm equipment, the Chapter put on a scrap drive. The boys used trucks and any other means available.

A team was sent to the District Shop Contest at Hillsboro. The following members participated: David Thompson, Jim Combs, Lyman Cornish, Mike Barendse, Paul Flues, Larry Miller, Howdy Knapp, Lee Tyler, and Eldon Wait. Larry Miller placed second in the Milk Testing Contest and Eldon Wait placed second in the Farm Accounting Contest. David Thompson represented the Chapter in the Public Speaking Contest.

STAFF RESULTS

The K.S. Reporter appeared in 15 issues during the year 50-51. The staff has tried to include more advance news in the paper.

Lacking a journalism class to help with writing for the paper, the four English classes took over one issue of the paper each for which they wrote the news articles, features, and editorials. This gave all students in school an understanding of the work of the paper staff and some knowledge of how a news story should be written. From this experience the editor and adviser were able to discover some hidden talent.

The staff was handicapped this year by the lack of an advanced typing class to help with typing and by the inaccessibility of school typewriters for the staff to work on.

Editor for the K.S. Reporter was Frances Sorkki; Sports Editor was Dick Engblom; Feature editor was Naomi Thompson; Exchange editor was Gladys Goska; Artist was Joyce Teutschman; and adviser was Miss Elliott.

The Paper Staff wishes Beverly Whiteside lots of luck next year in being editor.

Joan Fish, Pres. G.G.

GIRLS GLEE NEWS

The Girls Glee Club had a very successful year, making several appearances.

The trio consisting of Marjy Mack, Naomi Thompson, and Janice Vlastelicia sang at the October P. T. A. Meeting. The Glee Club first sang at the student Body Play, which was held on November 17. On November 19, the trio sang at the Moose Lodge. The girls made their next appearance at Seaside, November 28. The triple trio in which Kathryn Frost, Helen Shartel, Marjy Mack, Janet Leslie, Naomi Thompson, Helen Perkins, Janice Vlastelicia, Marilyn Tozer, and Eileen Barendse sang, made a broadcast over K. V. A. S. on December 14. The annual Christmas program was held on December 20. The Girls Glee Club played a large part in this program. On the following evening, December 21, the girls traveled to Warrenton to sing a number of Christmas songs for Gateway Lodge. The contest that was held in Newberg on April 21, was attended by both the Girls Glee Club and the Mixed Chorus. The concerts were held in the spring and were well attended and enjoyed by everyone.

The hardest job was given to Alice Oja who was accompanist for both the Girls Glee Club and Mixed Chorus.

Officers for the year were:

President-Joan Fish

Vice President-Marjy Mack

Librarian-Eileen Bay

Mr. George Lockhoven, director, has earned the thanks and appreciation of both Glee Clubs.

BAND NEWS

This year Knappa-Svensen High had a band again, for the first time in years. It was under the capable direction of George L. Lockhoven.

At the beginning of the year about five people were interested in having band, but the number increased to twenty-five by the second semester.

The band played at the home basketball games and helped add pep where it was needed. In addition to this, the band had a part in the Christmas program, and also contributed music for two concerts held during the early spring of this year.
